MESSAGE FROM THE DIRECTOR

Dear Exhibitors, Partners, and Esteemed Visitors,

Welcome to the Show Catalogue of Industrial Connect Expo 2026, taking place from 16–18 November 2026 at the India Expo Centre & Mart, Greater Noida – Delhi NCR.

Organized by E2E Events & Exhibitions Ventures, this exhibition brings the entire industrial and manufacturing ecosystem under one roof. Serving as a premier meeting point for OEMs, machinery manufacturers, automation providers, supply chain partners, policymakers, and investors, the expo bridges technological innovation with real-world industrial application to drive meaningful business growth.

As India's industrial sector continues its rapid expansion, Industrial Connect Expo 2026 aims to accelerate knowledge exchange, showcase next-generation solutions, and build lasting partnerships.

I extend my sincere gratitude to all our exhibitors, partners, sponsors, and visitors for their valuable support, and congratulate every participant featured in this catalogue. We look forward to three impactful days of networking, innovation, and collaboration.

Warm regards,
Vikas Kumar
Director
E2E Events & Exhibitions Ventures

Organizer – E2E Ventures

Our laser marking machines provide high-quality, permanent marking with excellent accuracy and consistency, while our welding machines deliver strong, precise, and efficient welding performance.

Through continuous innovation and a commitment to quality, we aim to provide cost-effective solutions that enhance productivity and manufacturing capabilities. At this expo, we are showcasing our latest technologies, demonstrating machine performance, connecting with industry professionals, and exploring opportunities for collaboration

JOYLASER

- Laser Power : 1500W / 2000W
- Laser Source : BWT
- Laser wavelength : 1070/1080nm
- Laser frequency : 1000 - 3000KHz
- Voltage : 220V/50-60HZ
- Motion mode : Continuity
- Light output mode : CW
- Welding speed : 0-120mm/s
- Weld width : 0.2-5mm
- Cooling : Water Cooling
- Operation Software : Joylaser
- Warranty : Laser source 2 years and other parts 1 Year

Portable UV Laser Marking Machine

APPLICATION RANGE :

1. Glass, silica gel, electronic cigarette
2. Metal deep carving,ABS, PC
3. Small household appliances, auto parts
4. LED industry, mobile power supply

- Laser Source : INNO、PULSEX
- Engraving range : 150mmx150mm (optional)
- Laser wavelength : 355nm
- Laser frequency : 20 ~150Hz
- Voltage : 110V-220V
- Carving line speed : ≤7000mm/s
- The minimum line width : 0.03mm
- Minimum character : 0.5mm
- Cooling : Water cooling
- Graphic Format Supported : AI, PLT, DST, JPC, GBR
- Operation Software : Ezcad
- Warranty : 1 years

UV Camera Visual Positioning Marking Machine (CCD)

APPLICATION RANGE :

1. Electronic components
2. Medical industry
3. Packaging of daily necessities
4. Food and beverage packaging

- Laser Source : INNO、PULSEX
- Engraving range : 150mmx120mm (Visual material)
- Laser wavelength : 355nm
- Positioning system : CCD
- Laser frequency : 20 ~150Hz
- Camera pixels : 1000w(optional)
- Positioning accuracy : ±0.02mm
- Voltage : 110V-220V 8
- Carving line speed : ≤7000mm/s
- Pulse width range : 1-30ns
- The minimum line width : 0.03mm
- Minimum character : 0.5mm
- Cooling : Water cooling
- Graphic Format Supported : AI, PLT, DST, JPC, GBR
- Operation Software : Ezcad
- Warranty : 1 years
- Working mode : Belt line

UV LaserMarking/EngravingMachine

APPLICATION RANGE :

1. Glass, silica gel, key fine marking
2. ABS, various glasses, TFTLCD screen
3. Plasma screen, wafer ceramics
4. IC grain marking polymer film

- Laser Source : INNO、PULSEX
- Engraving range : 160mmx160mm (optional)
- Laser wavelength : 355nm
- Laser frequency : 20 ~150Hz
- Voltage : 110V-220V
- Carving line speed : ≤7000mm/s
- The minimum line width : 0.02mm
- Minimum character : 0.5mm
- Cooling : Water cooling
- Graphic Format Supported : AI, PLT, DST, JPC, GBR
- Operation Software : Ezcad
- Warranty : 1 years

UV XY Axis Laser Marking Machine (CCD)

APPLICATION RANGE :

1. Glass, silica gel, key fine marking
2. ABS, various glasses, TFTLCD screen
3. Plasma screen, wafer ceramics
4. IC grain marking polymer film

- Laser Source : INNO、PULSEX
- Engraving range :160mmx160mm (Visual material)
- Laser wavelength : 355nm
- Positioning system : CCD
- Laser frequency : 20 ~150Hz
- Camera pixels : 1000w(optional)
- Positioning accuracy : ±0.02mm
- Voltage : 110V-220V
- Carving line speed : ≤7000mm/s
- Pulse width range : 1-30ns
- The minimum line width : 0.02mm
- Minimum character : 0.5mm
- Cooling : Water cooling
- Graphic Format Supported : AI, PLT, DST, JPC, GBR
- Operation Software : Ezcad
- Warranty : 1 years
- Working mode : XY module

PSP TECHNO ENGINEERS PVT LTD

PSP Techno Engineers Pvt. Ltd., established in 2009, is a trusted engineering solutions provider specializing in LT Electrical Panel Manufacturing and Industrial Automation. As an Authorized Danfoss Channel Partner, we offer advanced VFD solutions and customized electrical and automation systems. Driven by engineering expertise, quality, innovation and customer satisfaction, we deliver reliable and energy-efficient solutions to diverse industries.

PSP believes in providing solutions that offers clients maximum benefits. We put our maximum effort to learn meticulously about the existing scenario of a client who approaches us to provide the suitable & most competitive solutions. We can offer our services all under "ONE ROOF" and at the most reasonable rates without compromising in the quality, services and backed by AFTER SALES SERVICE.

Address: 306-307, Agarwal Modern Bazar, C-33, Lawrence Road, Delhi -110035
Mobile: +91 9650791462
Email: admin@psptechno.com

XTREME COOLERS PRIVATE LIMITED

Industrial Air Coolers & Exhaust Fan

Established in 2008 and headquartered in Okhla Industrial Area, Phase 2, New Delhi, Xtreme Coolers Private Limited is a leading manufacturer and supplier of industrial climate control solutions.

Specializing in heavy-duty evaporative air coolers, duct cooling systems, industrial exhaust fans, and infrared heaters, the company provides energy-efficient cooling, ventilation, and heating equipment designed for factories, warehouses, and large commercial spaces.

Backed by reliable installation support and on-site service, Xtreme Coolers Private Limited delivers durable, high-performance air management solutions tailored to demanding industrial environments.

Address: X2, OKHLA INDUSTRIAL AREA, PHASE 2, NEW DELHI-110020
Mobile: +91 8178451902

MAWAI INFOTECH LTD.

Mawai, Your Partner in Building a Sustainable Digital Future with SAP

Mawai, Your Partner in Building a Sustainable Digital Future with SAP Mawai, a leading RISE with SAP S/4HANA Partner in Noida, solutions drawn from over 27+ years of industry expertise, recognized for innovative services including.

Mawai Infotech is an SAP Gold Partner with 27+ years of experience in ERP implementation, consulting and support. Through GoERP.ai, we deliver integrated manufacturing ERP solutions with AI and RPA capabilities, serving industries including automotive, steel, textiles, chemicals, pharma, sugar and process manufacturing etc.

Address: Address: A-164, Sector 63 Rd, A Block, Sector 63, Noida, Uttar Pradesh 201309
Mobile: +91 9218084175
Email: akansha@mawaimail.com

R.P. SOLAR SOLUTION

Solar rooftop solutions, on-grid and hybrid solar systems, solar modules, inverters, mounting structures, and complete solar EPC services. Authorized Channel Partner of Tata Power Solar, providing quality products and reliable solar energy solutions.

Powering Your Future with Trusted Solar Solutions RP Solar Solution is a trusted and authorized channel partner of Tata Power Solar Rooftop, delivering reliable and high-quality solar energy solutions across Gautam Buddh Nagar, Uttar Pradesh (West). With Tata Power Solar's world-class technology and our local expertise, we help homes, businesses, and industries transition to clean, cost-effective, and sustainable solar power.
As an Authorized Channel Partner and Authorized Service Center, we ensure every solar installation meets the highest standards of quality, safety, and performance.

Address: House No. 74, Sector, Ebony Estate, Phi IV, Greater Noida, Uttar Pradesh – 201310

RECLAIM · RECYCLE · REUSE

MBM RENOVVA PRIVATE LIMITED

MBM RENOVVA PRIVATE LIMITED

Engineered Presswood Pallets That Cut Your Logistics Cost and Your Carbon Footprint

MBM Renovva turns recycled wood waste into strong, one-piece pallets. Choose from standard sizes or ask for a custom size for warehousing, transport, and export.

MBM Renovva Pvt. Ltd. manufactures hot-compressed wood pallets for industrial storage, material handling, transportation and export packaging. Made from wood and agricultural residues, our eco-friendly pallets are biodegradable, recyclable and sustainable, featuring nail-free construction, smooth edges, water, moisture, fire and anti-termite resistance, 6-tonne static and 2-tonne dynamic load capacities, requiring no ISPM-15 treatment or fumigation.

Address: 36/8,balfour road, davidpuram, kilpauk, chennai, tamilnadu-600010
